OVER 16 MILES OF HIKING AND BIKING TRAILS *featuring beautiful vistas and trails for all levels*

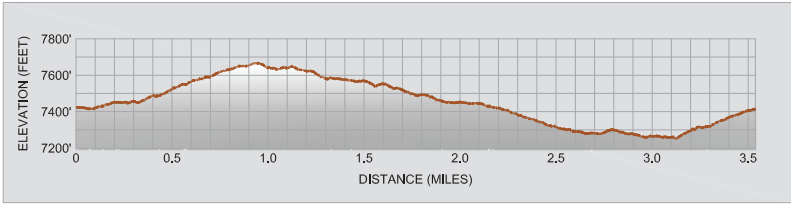

SOUTH SIDE TRAIL ●

South Side Trail is a double-track road that offers an ideal grade for easy biking. Starting at the Entryway, you'll take in views of the Spanish Peaks on this 4.8 mile out-and-back trail. The turnaround point overlooks The RESERVE at Moonlight Basin, our Signature Jack Nicklaus Golf Course.

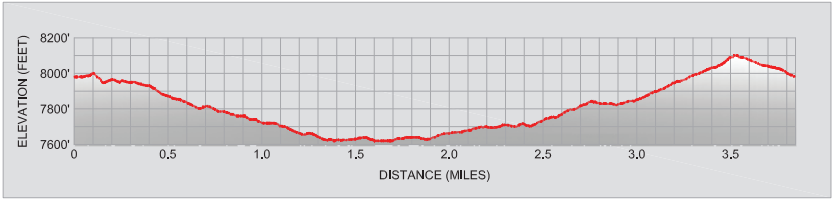

MADISON LOOP ■

This 3.6 mile loop meanders around the mountain and is designed for intermediate cross-country biking with rolling hills. Plenty of opportunity to see Montana wildlife and wildflowers!

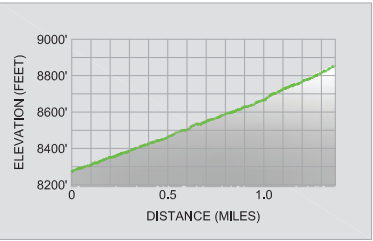

ULERY'S LAKE LOOP ■

This is a moderate 3.9 mile hike that crosses an 800 foot skier bridge which boasts great views of Wilson Peak. You'll wind through forest, wetlands and our ski trail network. The trail loops around the majestic Ulery's Lake, where if you're lucky you might see a moose! Then it works its way back to the Moonlight Lodge.

ELKHORN TRAIL ◆

A steep 1.4 mile hike will take you to the highest elevation on Moonlight's summer terrain. Beautiful wildflowers lead you to the top where you'll take in the best views of the Spanish Peaks and the Big Sky valley. Keep your eyes peeled for mountain goats in the Headwaters Terrain. Combine this hike with the Moonlight Lodge Loop to create a 4.1 mile excursion.

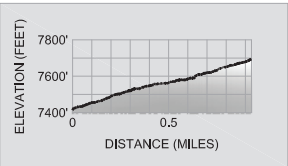

BIG SKY CONNECTOR ●

The moderate 1.5 mile Big Sky Connector trail is accessed off the Pony Loop trail near the bottom of the base of the Pony Express ski lift and follows Twin Tunnels ski run to Big Sky Resort. This trail connects to Big Sky Resort's Karen's Way trail.

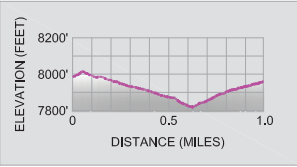

MADISON VILLAGE CONNECTOR ●

This short trail that connects the Ulery's Lake Loop to the Madison Loop passes by wetlands and boasts plenty of scenic moments and chances to view wildlife.

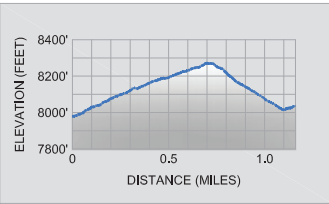

PONY LOOP ●

An easy 1 mile hike perfect for a mid-day stroll filled with wildflowers. The trail begins behind the Moonlight Lodge and travels through the lower portion of the Diamond Hitch development.

LODGE LOOP ■

This moderate 1.3 mile hike starts from the Moonlight Lodge parking lot. A steady climb leads to breathtaking views of Andesite Mountain and the Gallatin Range to the east - don't forget your camera.

MADISON LOOP / SOUTH SIDE WEST & EAST CONNECTORS ■

Two short connector trails give you easy access back and forth between the Madison Loop and the South Side Trail.
